- **Layout:** 1 bed, 1.0 bath, 2 fl, 694 ft^2
- **Climate:** 2021 IECC Mixed Marine
- **Category:** Attached

Modeled Performance Data

- **ERI:** with PV 41

TESTIMONIAL

One of our homeowners sent us an email bragging about their indoor air quality index of just 19, while the air quality outside was at 63. We have been incorporating the same HEPA filter/range fan balanced system since about 2006, so it is heartwarming to get this kind of outpouring when it is finally noticed.
- Ted Clifton Sr., builder of this home

KEY FEATURES
