- **Climate:** 2021 IECC Cold Humid
- **Category:** Custom

Modeled Performance Data

- **ERI:** with PV 39

TESTIMONIAL

This will be our retirement home. Our goals were to have the tightest envelope and most energy-efficient systems for the long run. This house is also very comfortable; that is the greatest thing about it. It's silent. We have triple glazing. We don't hear anyone's weed wackers on weekend mornings.
- BPC Green Builder Homeowner
