United Way of Long Island

Community Housing Innovations | Coram, NY

PROJECT DATA

- **Layout:** 5 bed, 2.0 bath, 2 fl, 2588 ft^2
- **Climate:** 2021 IECC Mixed Humid
- **Category:** Affordable

Modeled Performance Data

- **ERI:** with PV 8

TESTIMONIAL

Maintenance costs are a heavy burden for low- to moderate-income families as well as for nonprofit housing providers. It costs LESS for nonprofits to own a ZERH than a code-built, low-cost-per-square-foot home due to low to no energy costs and minimal maintenance and upkeep.
- Rick Wertheim, United Way of Long Island

KEY FEATURES

- Energy / Heat recovery ventilator
- Photovoltaics
