- **Climate:** 2021 IECC Mixed Humid
- **Category:** Custom

Modeled Performance Data

- **ERI:** with PV 54

TESTIMONIAL

I have always suffered from allergies, especially from mold and chemical fumes. The way our home is sealed, the materials, finishes, and state-of-the-art green A/C system have noticeably improved my quality of life. I can come back home and my odorless, fresh space speaks for itself -- no mold, no breathing problems, no fumes and no itchy eyes. I'm definitely happy.
- Homeowner

KEY FEATURES

- All-electric home
- Compact (core) plumbing design
- Heat pump water heater
- Unvented insulated attic
- ACH 50 < 2.5 or CFM50/SF of enclosure ? 0.25
