- **Climate:** 2021 IECC Cold Humid
- **Category:** Custom

Modeled Performance Data

- **ERI:** with PV 41

TESTIMONIAL

Every morning when I walk up the stairs from the bedroom to the living area I am struck by [the home's] beauty. [It] is not visual ... It is a felt beauty. I could say that it is comfortable, that it is quiet, that it feels calm, peaceful, secure, and all that would be true, but it would miss the point. It is the feeling that I don't want to be anywhere else.
- Homeowner
