Depot Road Beacon House | Deer Park, NY

## PROJECT DATA

- **Layout:** 5 bed, 2.5 bath, 2 fl, 3719 $ft^2$
- **Climate:** 2021 IECC Mixed Humid
- **Category:** Affordable

**Modeled Performance Data**

- **ERI:** with PV -5

## TESTIMONIAL

The ZERH will provide these vets with much needed comfort, health, and a better living experience while saving taxpayers with very low operational expenses. United Way of Long Island runs a program called "VetsBuild." Veterans learn … building science, energy retrofit, and weatherization, as well as green and high-performance home building. Each class works on a real ZER home; the class of 2016/17 helped build this house for fellow veterans in need.
- Rick Wertheim, senior vice-president of the Housing Development Corporation and Housing and Green Initiatives, United Way of Long Island
