- **Climate:** 2021 IECC Cold Humid
- **Category:** Custom

Modeled Performance Data

- **ERI:** with PV 26

TESTIMONIAL

We thoroughly enjoy living in our BrightLeaf home. The energy efficiency, open floor plan, passive solar heat, and light are all great features. Energy bills are less than half of our previous home with 20% more square footage. Friends and neighbors always comment on the beauty of the space.

- Homeowner
