Zero Net Now

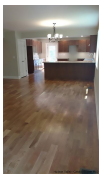

Hickory Ridge | Gardiner, NY

PROJECT DATA

- **Layout:** 4 bed, 3.5 bath, 3 fl, 3912 ft^2
- **Climate:** 2021 IECC Cold Humid
- **Category:** Custom

Modeled Performance Data

- **ERI:** with PV 2

TESTIMONIAL

Greenhill Contracting has been 100% committed to building DOE Zero-Energy Homes since 2007. The team has worked tirelessly to reduce the construction costs associated with high-performance homes including developing continuous improvement strategies. At this point, with the use of ICF and spray foam thermal and air-control strategies, the DOE Zero Energy Ready threshold can be achieved without any significant costs over a code-built home.
- Anthony Aebi, builder, Greenhill Contracting

KEY FEATURES

- All-electric home
- Cold-climate heat pump
- Energy / Heat recovery ventilator
- Heat pump water heater
- Insulated concrete form (ICF) walls and/or foundation
- Photovoltaics
- Triple-pane windows
- Unvented insulated attic
- ACH 50 < 2.5 or CFM50/SF of enclosure ? 0.25
