- **Layout:** 4 bed, 4.0 bath, 2 fl, 5505 ft^2
- **Climate:** 2021 IECC Cold Humid
- **Category:** Custom

Modeled Performance Data

- **ERI:** with PV 31

TESTIMONIAL

While our prior home was entirely remodeled and rebuilt as energy efficiently as possible, the increased comfort level and more even indoor temperatures are noticeably better in the Zero Energy Home. While the ICF construction greatly reduced the temperature swings, it also significantly reduced the noise level inside the home.
- Homeowners

KEY FEATURES
