

CVH Inc. DBA Clifton View Homes

Isler Residence | Coupeville, WA

PROJECT DATA

- **Layout:** 3 bed, 3.5 bath, 2 fl, 2908 ft²
- **Climate:** 2021 IECC Mixed Marine
- **Category:** Custom

Modeled Performance Data

- **ERI:** with PV -6

TESTIMONIAL

What I love most about the home is the uniform temperature year-round. The summer months remain evenly cool and during the winter months there are no drafts or cold spots ... The warm floors from the in-floor radiant heat and sun-warmed concrete are a delight. And on anticipated warm summer days, turning on the air [ventilation] system for a short time to let in cool morning air provides comfort for the rest of the day.
