- **Climate:** 2021 IECC Cold Humid
- **Category:** Custom

Modeled Performance Data

- **ERI:** with PV -11

TESTIMONIAL

Our home has exceeded all of our expectations. We have yet to pay more than a connection fee to our energy company … as we have generated more energy than we used this year. There is a noticeable difference in air quality inside our home, especially during allergy season. For a family of allergy sufferers this is invaluable.
- Homeowners
