Mandalay Homes

Pronghorn Ranch | Prescott Valley, AZ

#15

PROJECT DATA

- **Layout:** 3 bed, 2.0 bath, 1 fl, 2469 ft^2
- **Climate:** 2021 IECC Mixed Dry
- **Category:** Production

Modeled Performance Data

- **ERI:** with PV 25

TESTIMONIAL

We've been in the house for about two months now, and we've found the house to be very comfortable and energy-efficient. It's late June in Arizona and the house is so well-insulated that despite peak temperatures in the mid-90s outside, we have yet to turn on the air conditioning and the house has maintained an inside temperature between 78 and 82 degrees.
- Homeowner Bob

KEY FEATURES

- Energy / Heat recovery ventilator
- High-performance wall with continuous insulation
- Triple-pane windows
- Unvented insulated attic
- ACH 50 < 2.5 or CFM50/SF of enclosure ? 0.25
