- **Climate:** 2021 IECC Cold Dry
- **Category:** Custom

Modeled Performance Data

- **ERI:** with PV 51

TESTIMONIAL

[There is a] tremendous difference in this home vs. other homes I have lived in in the past. … It is so tight that it takes very little energy for us to heat this home and we don't have any problems with pollen or allergies. The energy bills are one-third to one-fourth of our neighbors' bills.
- Homeowner
