PROJECT DATA

- **Layout:** 3 bed, 2.0 bath, 1 fl, 4468 ft^2
- **Climate:** 2021 IECC Cold Humid
- **Category:** Custom

Modeled Performance Data

- **ERI:** with PV 43

TESTIMONIAL

We knew they built a cleaner home. We never really knew what that meant until we experienced it. Probably within a week of moving in, our son's cough started to clear up and he was acting like himself again and running around. Within three months, he was a completely different child. I mean, he was acting like a little boy again.
- Homeowner
