Vista Palm Drive | Edgewater, FL

PROJECT DATA

- **Layout:** 3 bed, 2.0 bath, 1 fl, 1250 ft^2
- **Climate:** 2021 IECC Hot Humid
- **Category:** Affordable

Modeled Performance Data

- **ERI:** with PV 49

TESTIMONIAL

I keep my AC at about 72-75 degrees so you can see from the bills how efficient my home truly is. I have a friend who lives two streets over with only a two-bedroom home and her electric bill runs from $250 to $325. My home is so well-insulated I have not had to turn on my heat one time this winter. I could not ask for better. I love it!!!!
- Homeowner

KEY FEATURES

- All-electric home
- Energy / Heat recovery ventilator
- High-performance wall with continuous insulation
- Raised-heel trusses
- ACH 50 < 2.5 or CFM50/SF of enclosure ? 0.25
