- **Layout:** 3 bed, 3.0 bath, 1 fl, 4631 ft^2
- **Climate:** 2021 IECC Cold Humid
- **Category:** Custom

Modeled Performance Data

- **ERI:** with PV 44

TESTIMONIAL

Our yearly gas budget was just adjusted again. Down. $35/month. Our new house, which was built to the DOE Zero Energy Ready standards using the ICF panels, offers a much more consistent indoor temperature. It significantly reduces exterior noises inside the house, and it offers us lower utility bills.
- Homeowners
