• Layout: 4 bed, 4.0 bath, 2 fl, 2609 ft<sup>2</sup>

• Climate: 2021 IECC Cold Dry

• Category: Custom

### **Modeled Performance Data**

• ERI: with PV 33

## **TESTIMONIAL**

Over the years we have found ways to get the highest levels of effectiveness out of readily available, relatively affordable, off-the-shelf products. Fourteen years of experience building to strict energy-efficiency standards like DOE ZERH allowed us to meet the challenge of building a Passive House in our region with blazing hot summers and extremely cold winters.

- Garbett Homes

# **KEY FEATURES**
