

Woodside Group

Summit at The Dells | Prescott, AZ

PROJECT DATA

- **Layout:** 3 bed, 4.0 bath, 1 fl, 2889 ft²
- **Climate:** 2021 IECC Mixed Dry
- **Category:** Production

Modeled Performance Data

- **ERI:** with PV 13

TESTIMONIAL

My favorite feature is how energy efficient the home is built. Nobody wants to throw away money with high utility bills. I purchased the solar package to give myself that extra boost for low utility bills. I am excited about the [EPA] Indoor airPLUS program that comes with my home. I suffer from allergies, so knowing I'll be able to breathe better at home is a huge plus.
